Dear Sir:--

Can you tell me if there is being published at the present time a magazine of some kind dealing with coins? If so, I should appreciate it very much if you would give me the particulars--address of publisher, subscription price, etc.

Thanking you very much, I am,

Very truly yours,

Dear Sir:

The only magazine published in this country dealing with coins is The Numismatist, issued by the American Numismatic Association. The subscription price of this is \$2.00 a year, but it is far better to belong to the Association, which costs another \$1.00, or \$3.00 in all. I am herewith enclosing an application blank and trust that you will become a member.

Very truly yours,

Curator
